

## Consecutive Success– 2<sup>nd</sup> International Diabetes Summit 2018

The 2<sup>nd</sup> International Diabetes Summit -2018 was organized by Chellaram Diabetes Institute from **9<sup>th</sup> – 11<sup>th</sup> March 2018** at Hotel J W Marriot, Pune.

The 3-day mega event comprised various workshops, debates, symposia and scientific sessions covering diabetes complications and its management in day to day life.

The conference began with a Pre-conference symposium on “Technology & Innovations in Diabetes”, conducted in collaboration with CIIE - IIM, Ahmedabad. 5 new ideas that could improve diabetes care were discussed and the meeting was facilitated by Dr Piyush Sinha from CIIE-IIM, Ahmedabad.

The summit was a grand success with more than **1,800 attendees**. The conference was inaugurated by Prof. Andrew Boulton – President Elect of IDF. About **50 speakers from India** and **15 international faculty** from US and Europe and **115 chairpersons** contributed to the success of this event. Both the auditoriums and the workshop meeting rooms were jam packed with the participants who thronged the halls. The Maharashtra Medical Council had awarded **9 Credit Points** to the program.

In addition, 63 **young researchers** presented free papers (Oral/Poster presentations). For Best Research Paper presented, Chellaram Foundation had announced the “Chellaram Foundation Diabetes Research Award” which consisted of a medal and prize of Rs 100,000/-. Recognition Medals were also given away to 4 other researchers. Industry sessions and industry workshops also got overwhelming response. **36 stalls** too witnessed an excellent attendance in delegates. The 2<sup>nd</sup> International Diabetes Summit was highly appreciated by the attending dignitaries and delegates from medical fraternity. The event was also covered widely in the print and media.
