HIGHLIGHTS: 10th INTERNATIONAL DIABETES SUMMIT – 2026

The 10th International Diabetes Summit 2026 was organized by Chellaram Diabetes Institute from 13th March (Friday) – 15th March (Sunday) 2026 at Hotel J W Marriot, Pune which was a huge success.

- The Summit featured 70 eminent national speakers and 10 distinguished international speakers from the USA, UK, and Europe.
- The event witnessed an overwhelming response, with more than 3,000 registrations from across India.
- Over 80 young researchers presented their work through oral abstract presentations, encouraging research and academic excellence in the field of diabetes.
- The Chellaram Foundation Diabetes Research Awards recognized outstanding research in Basic Sciences and Clinical Sciences. First, second, and third prizes of Rs. 2,00,000, Rs. 1,00,000, and Rs. 25,000, respectively, were awarded in each category. A Special Best Case Presentation Award was also presented, with a total of Rs. 6,75,000 awarded to the winners.
- The three-day scientific programme included dedicated workshops on Artificial Intelligence in Diabetes and Metabolic Dysfunction-Associated Steatotic Liver Disease (MASLD) in Diabetes, a symposium on Endocrinology and Women's Health, along with several engaging and interactive sessions led by renowned experts.
- A patient-centric initiative, organized in collaboration with the Blue Circle Diabetes Foundation, brought together more than 600 participants with Type 1 and Type 2 diabetes for 3 km and 5 km runs, promoting diabetes awareness and healthy living.
- "All the World is Green" – A special documentary by the Chellaram Foundation was premiered to raise awareness about environmental sustainability.
- Maharashtra Medical Council (MMC) Credit Points were awarded to eligible participants for attending various symposiums, workshops, and scientific sessions.
